Passing along the Stoney Nakoda language **Page 5**

Despite both rain and snow, six hundred players took over both Mitford Pond and the SLS Family Sports Centre on January 31 and February 1 for the 12th annual Kimmett Cup pond hockey tournament in memory of Lindsay Kimmett and in support of the Children's Wish Foundation, the Children's Cottage Society and Helping Families Handle Cancer. Over 100 volunteers came together to make this year's event a success. *PATRICK GIBSON*
