Kimmett Cup 12 was a resounding success as we experienced true "POND" hockey for the first time in 12 years! Over \$200,000.00 was raised supporting Children's Wish, Children's Cottage Society, Helping Families Handle Cancer, HYTES, United Church Hot Lunch Program, Cochrane Search and Rescue and the Cochrane Lions Club. The KC organizing committee is overwhelmed by the support of our sponsors, volunteers, donors, and participants!

Thank you all for supporting "Lindsay's Kids!"
