The Tofield fighting Snowgeese are the champions of Kimmett Cup 13

The Cochrane Cruisers enjoy a toast from the Shotstick as runners up

Very interesting score clock at Spray Lakes Rec Centre honoring the original #25 - Lindsay Leigh Kimmett

Sun sets on Kimmett Cup 13 on a glorious day for pond hockey
Kimmett Cup 13 was a resounding success in terms of weather, ice conditions, tournament play, safety, and support for our charities! Over \$130,000.00 was raised for Make a Wish, Children's Cottage Society, Helping Families Handle Cancer, Cochrane search & Rescue, Cochrane Lions, and The Lindsay Leigh Kimmett Memorial Foundation. In fact the millionth dollar was raised for Make A Wish this year from Kimmett Cup! The Tofield Fighting Snowgeese defeated the Cochrane Cruisers 21-15 in an exciting final with captain Mike Kauffman (Lindsay's second cousin) lifting the trophy after 9 years of trying.

The raffle for Children's Cottage and donor page for Make a Wish are open until February 28 - go to KC website to support!
